Creation Video Night

Creation Video Night will feature "*A Jurassic Ark Mystery.*"

In this Answers in Genesis video Buddy Davis and the Creation Adventure Team travels the world in a fun-filled quest to uncover the mysteries of the dinosaurs. When did they live? How did they die? What do their remains reveal? What about Noah's flood, and were there dinosaurs on the Ark? Buddy and the team explore the "X-tinct Files" to reveal the incredible answer to the great dinosaur mystery!

While this entertaining and educational 45 minute video has been developed especially for the 7-12 age group it will appeal to the kid in all of us with live-action, special effects and animatronics and, of course, fun songs and humor.

You and your children will not want to miss this CSF Video Night.
